

ANDRÉ BORGES

INFORMATION SYSTEMS
ENGINEER

Contact: +351 918 090 640

E-mail: a-filipe@hotmail.fr

Website: andreborges.pt

PROFILE

My passion for technology started when I was a little boy, I've always been fascinated by it and by how things work. As a person I am dedicated, ambitious and I like to always be learning. I am an information systems engineer who likes to program and I am also an enthusiast of new technologies, even though I'm motivated by product success and business growth, not technology for technology's sake.

EXPERIENCE

SOFTWARE DEVELOPER	(Nov. 2019 - Present) - MEBRA S.A. - Portugal
